“He Cried for Six Months: How Parents Make Decisions About Religious School.” The Network for Research in Jewish Education, June 2015

TEACHING EXPERIENCE

Introduction to Data Analysis and Interpretation

Teaching Assistant

Fall 2017

Losing My Religion: Secularism and Spirituality in American Lives

Teaching Assistant

Fall 2016

RESEARCH & EVALUATION EXPERIENCE

Union for Reform Judaism, New York, NY

Consultant

September 2015-Present

- Design, manage and conduct evaluations for Bnai Mitzvah Revolution and Communities of Practice initiatives

The Covenant Foundation, New York, NY

Consultant

June 2015-Present

- Design, manage and conduct evaluation of Habonim Dror and inHEIRitance initiatives

John W. Gardner Center, Stanford University, Stanford, CA

Policy Analyst

May 2011-May 2013

- Synthesized data from multiple surveys, interviews and focus groups to understand youth and adult perceptions about youth development settings, youth attitudes and behaviors toward healthy lifestyle choices, and ways in which youth serving organizations supported youth development; disseminated findings through reports and presentations to community partners in Redwood City
- Conducted an implementation study of a national three-year initiative to enhance alignment between early childhood education and elementary community schools and developed a series of reports and briefs to disseminate findings

- Wrote policy fact sheets on a range of topics, including how schools can use early warning systems to detect and support students at risk of dropping out of school and how schools can design interventions for chronically absent students

BTW Informing Change, Berkeley, CA

Associate

September 2009-December 2010

- Conducted evaluation activities for all of BTW’s *Jim Joseph Foundation* projects, including the Foundation for Jewish Camps Specialty Camps Incubator, the BBYO Professional Development Institute, and the Jewish Student Union
- Collected and analyzed data about California’s after-school field and translated findings into a series of case studies about *The David and Lucile Packard Foundation’s* after-school and summer enrichment strategies
- Provided strategic support to a range of organizations by helping them articulate their theory of change and translate their vision into tangible strategies and outcomes

ICF Macro (formerly Macro International), Calverton, MD

Research Analyst

April 2008-July 2009

- Earned follow-on work with the *Institute of International Education (IIE)* after successfully analyzing survey and interview data for 1,300 Gilman Scholarship alumni and providing recommendations on how IIE can increase the effectiveness and impact of its program
- Developed questionnaires and interviewed subject matter experts from each state for a study of state policies on teacher preparation programs, online and distance learning, and reciprocity
- Managed recruitment, data collection, and analysis for a quasi-experimental study of 6,600 students in to assess the affect of teachers trained through the *Math for America* program

MANAGEMENT CONSULTING EXPERIENCE

Deloitte Consulting (formerly BearingPoint, Inc.), Washington, DC

Senior Business Analyst

March 2004-August 2006

- *National Security Sector:* Supported organizational and business-process improvement efforts at the Immigration and Customs Enforcement (ICE) office to help increase efficiency and enhance the organization’s capabilities
- *Emerging Markets Group:* Provided logistical coordination, financial management, audit preparation and administrative oversight for multiple USAID and World Bank projects
