RESEARCH EXPERIENCE

- Center for Education Policy Analysis (CEPA), Stanford University** 2013 –
Graduate Student Researcher for Thomas S. Dee and Susanna Loeb
- Drafted a data sharing agreement and obtained Institutional Review Board (IRB) approval to study the effects of Career & Technical Education in partnership with the Tennessee Department of Education
 - Utilized STATA to carryout quasi-experimental analysis (i.e., Regression Discontinuity, Difference-in-differences, triple differences and Synthetic Controls) and experimental designs
 - Presented research findings to the policymakers, practitioners and members of academia at the annual conferences of the Association for Education Finance and Policy (AEFP) and Association for Public Policy Analysis and Management (APPAM)
 - Conducted reviews of extant literature on K-12 Education Policies
- CTEx Lab, Multi-state consortium** 2018-
Research Affiliate
- Analyzing administrative data sets from the Tennessee Department of Education (TDOE) to investigate the effectiveness of the state's Career and Technical Education programs
- Action Research Team, San Francisco Unified School District** 2015
Graduate Student Researcher
- Developed an algorithm to identify students at-risk of failing the high school exit exam using predictive analysis and conducted literature review of relevant research
- New York Department of Education** 2015
Independent Consultant
- Developed and implemented quality control protocol for teacher and principal rating system
- Harvard Center for Education Policy Research (CEPR)** 2014
Independent Consultant
- Analyzed data from school districts and drafted policy briefs with findings for educators and policymakers
- Bill & Melinda Gates Foundation** 2013
Education Pioneer Graduate Fellow
- Conducted analyses of data on stability of teacher effectiveness ratings
- Albuquerque Public Schools** 2010-12
Harvard Strategic Data Fellow
- Utilized comprehensive data sets to make recommendations to improve district strategy around Algebra I placement, teacher distribution, test-based retention and teacher evaluation
